

Percy Kendall and Chester Maxwell Lead in Qualifying Round at Lakewood With Cards of 82

Mud and Rain Keep Majority Of Scores High

Proal and Yates Fail to Make the First Flight; Leaders Use Judgment

By Ray McCarthy

LAKEWOOD, N. J., May 4.—Old Man Gloom invaded Lakewood today, bringing with him a nasty young squall which made life miserable for some golfers who are here competing in the annual spring tournament of the Lakewood Country Club. The course here at the present time is not in the best of condition as yet and the heavy rain only added to the difficulty of setting good scores. Consequently, between trying to manipulate the niblick with precision and effectiveness and ducking rain drops, the host of linksmen had a very moist and muggy day of it.

It was not greatly surprising, therefore, that nobody broke 80. Percy W. Kendall, of the Deal Club, and Chester Maxwell, of Trenton, both good mudders, had a score of 82, which proved to be the best of the day.

However, the feature of the opening day's performances, if such it can be called, was the failure of such efficient and capable golfers as Pierre Proal, of Deal, and Arthur Yates to qualify in the first flight. They consumed ninety strokes each in the process of their spin around the Lakewood course, and for Proal, as well as for many others, this was a shock indeed. The Deal star has soared to 89 on occasion, but this is the first time in his checkered career he has gone over that mark.

Knight Plays Around in 86

There were not as many of the metropolitan stars as were expected, nevertheless the good ones who did appear found the going quite as rough as the others. Fred Knight, for instance, who won the invitation meet of the Trenton Country Club last week, had an 88, as did John Parrish Jr., who gets under that mark regularly on the exacting National links.

Kendall and Maxwell, in spite of the heavy turf, used both brain and brawn with good judgment and their scores of 82 were exceedingly creditable, all things considered. They scored as follows:

Kendall—Out 4, 5, 6, 7, 8, 9, 10, 11, 12, 13, 14, 15, 16, 17, 18, 19, 20, 21, 22, 23, 24, 25, 26, 27, 28, 29, 30, 31, 32, 33, 34, 35, 36, 37, 38, 39, 40, 41, 42, 43, 44, 45, 46, 47, 48, 49, 50, 51,
